

## SWIMMING POOL ACCESSORIES **POOL CARE**

**SATTE 18", 10", 18/45, BRUSH**

Made of corrosion resistant plastic and aluminum, dense distribution, fitting expansion rod.

**SATTE 10" BRUSH**

**SATTE 18" BRUSH**

**SATTE 18"/45CM BRUSH**

**SATTE E NET POOL LEAF SKIMMERS**

**SATTE LEAF SKIMMER COMPLETE 150CM**

1. **Integrated One-Piece Design:** The mesh frame and mesh cloth are seamlessly molded into a single unit, providing enhanced load-bearing capacity. The smooth, durable joints make it easier to clean and more effective for collecting debris.
2. **Rounded Corner Design for Safety:** The product features carefully treated, rounded corners to minimize the risk of skin irritation or accidental scratches during use.
3. **Durable Fine Mesh Cable:** Crafted with fine, high-tensile mesh cable, the net offers excellent flexibility and strength, ideal for capturing leaves and small debris.
4. **Reinforced Classic Net Design:** Constructed with high-quality materials, the net frame is reinforced for added strength, delivering a reliable, long-lasting solution.

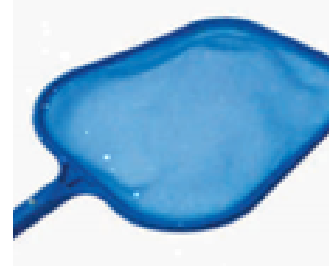

**SATTE LEAF RAKE**

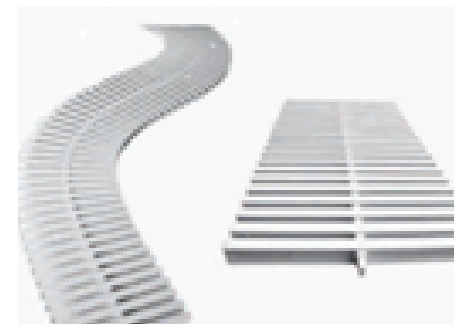

**SATTE E DEEP SKIMMER**

**SATTE STD LEAF SKIMMER**

**SATTE 250MM GRATINGS**

1. **Eco-Friendly:** Non-toxic, non-polluting, and free from harmful chemicals.
  2. **Sustainable:** Recyclable and reusable—made from classic environmentally friendly materials.
  3. **Weather-Resistant:** Waterproof, flexible, and resistant to extreme weather conditions with strong structural integrity.
  4. **Durable:** Resistant to corrosion, moisture, and high temperatures.
  5. **Low Maintenance:** Easy to clean and maintain over time.
- Safe & Long-Lasting:** Fire-resistant, water-resistant, easy to install, and built for long-term use.
